GOD Save the KING.

Liſbon, February 27. The Court is ſtill at Salvaterra, where their Majeſties often divert themſelves with Hunting. Laſt Sunday the new Biſhop of Macao was conſecrated in the Patriarchal Church of this City, in the Preſence of a prodigeous Concourſe of People. The King has conferred the Dignity of a Count of this Kingdom on Don Anthony d'Acunha, late Governor of Mazagan, by the Title of Count de Tabea. We are aſſured, that the Court of Vienna intends, in a ſhort Time, to ſend an Ambaſſador to this Court, with proper Inſtructions to demand in Form the Infanta Marie-Ann-Francoiſe, for the Archduke Joſeph. The two Men of War that have been for ſome Time paſt on a Cruize againſt the Corſairs of Barbary, under the Command of Commodore Brito, are returned into Port, and are ordered to be unrigged.

[Price Two Pence.]

Naples, March 6. Laſt Saturday their Majeſties went from Bovino to Caſerta, attended by the whole Court, and 'tis thought they will not remove from thence till towards Eaſter. The two Men of War and four Kebecks which the King ſome Time ſince ordered to be equipped in this Port, put to Sea on Wedneſday Morning laſt on a Cruize againſt the Barbary Pyrates. They have diſcovered in the Terra di Laboro, a large Quarrey of fine Marble, which is to be uſed in embelliſhing the Palace that is erecting, by his Majeſty's Order, at Caſerta.

Venice, March 19. The Duke and Dutcheſs of Wirtembourg arrived here a few Days ago; their Highneſſes propoſe ſtaying till the Beginning of next Month, to view the Curioſities of this City, and then to proceed on their Tour to the other principal Cities of Italy. They write from Conſtantinople, that, in Conformity to the Grand Seignor's Orders, divers Baſhaws were arrived there from their reſpective Governments, to aſſiſt at a grand Divan that is to be held, in order to conſult about the aſſembling a large Army on the Frontiers of Perſia.

Geneva, March 22. The Earthquake that was felt here on the 9th Inſtant, was felt the ſame Day at Suſa and Mount Cenis, where it was ſo violent, as to make a conſiderable opening in the Earth, out of which guſhed immediately a great Quantity of Water.

Dreſden March 23. The King has promoted Major General Count Rex to the Rank of Lieutenant General. 'Tis ſaid his Majeſty will go to Poland again this Summer, in order to accommodate the Diſputes that have ariſen between the Primate of that Kingdom, and the Palatin of Culm.

Hague, April 3. This Morning M. Lucas-Gysbert Rouſe, lately appointed Deputy from the Province of Overyſſel to the Aſſembly of the States General, took his Seat in that Quality. Their High Mightineſſes have nominated Meſſ. Reepmaker, Reneſſe, and Kempenaer, to change the Magiſtrates in the different Towns of Dutch Flanders. The Detachment of the Regiment of Dutch Guards, that went ſome Time ſince to Harlem, to do Duty at that Place, returned here

here this Morning. Yesterday the new Military School was opened in the Presence of Field Marshal Count Nassau, and several General Officers, when M. Chardon, Captain-Ingineer in the Service of this Republick, made an excellent Discourse suitable to the Occasion. On Thursday last died here M. de Nievelt, Counsellor of the Regency of Rotterdam, and Deputy from that City to the Chamber of Accompts of this Province, in the 52d Year of his Age. And by Letters from North-Holland we have an Account of the Death of M. Groot, ancient Burgomaster and Counsellor of the Town of Hoorn, and one of the Directors of the India Company, pretty far advanced in Years.

DR. *JAMES*'s Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.
